TempSure Envi Skin Tightening

TempSure Envi is a non-invasive radiofrequency treatment that heats deep tissues to stimulate collagen production, resulting in tighter skin with reduced fine lines and wrinkles.

No needle, non-surgical procedure for facial and body skin tightening, including cellulite reduction.

Single sessions starting at \$400+tax
Package of 3 sessions at \$1000+tax

Potenza Microneedling

The Potenza radiofrequency microneedling treatment by Cynosure® stimulates collagen production, improves skin tightness, reduces blemishes, and enhances complexion and texture.

Single sessions starting at \$600+tax
Package of 3 sessions at \$1500+tax

AlumierMD Chemical Peels

(AlumierMD Medical Facial included with all of our peel treatments!)

The Renew 30 (Sensitive Skin Peel)

A 30% lactic acid formula for a gentle and hydrating peel.

Brightens, hydrates, and evens out complexion. Ideal for sensitive skin.

AHA Duo (Anti-Aging Peel)

Combination of glycolic acid and lactic acid.

Enhances exfoliation and skin turnover and targets fine lines, wrinkles, large pores, hyperpigmentation

The Glow Peel (Performance Peel)

Modified Jessner solution with 7% lactic acid, 7% salicylic acid, and 7% resorcinol.

Resurfaces skin to minimize fine lines, wrinkles, hyperpigmentation, and uneven skin tone.

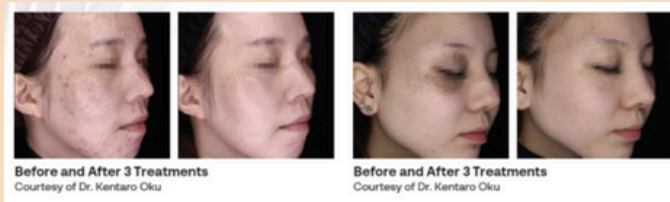

Single sessions starting at \$100+tax

PicoSure Pro Laser Facial

PicoSure Pro is an advanced laser treatment using 755nm picosecond technology to precisely target pigment, wrinkles, acne scars, and pores with minimal thermal damage.

Prices starting at \$500*

Laser Hair Removal

Elite iQ by Cynosure is an advanced laser system that delivers superior results for hair removal, age spots, wrinkles, skin revitalization, spider veins, acne, and razor bumps, all tailored to various skin tones and conditions.
